Industry Experience: Retail & Consumer Tech • Banking & Financial Services • Payments / Microfinance • Healthcare Analytics

PROFESSIONAL EXPERIENCE

Enterprise Project Manager / Delivery Leader | Mastech Digital

Sep 2024 - Present | Chennai, India

- Lead delivery across a multi-account portfolio including Costco, Amadeus, Dell and Cleveland-Cliffs with distributed teams of 6-70+ across India, USA and Canada.
- Own executive governance through QBRs, MBRs and steering committees; drive milestone management, RAID, mitigation planning, stakeholder alignment and production readiness.
- Own SOWs, renewals, change requests and pricing across portfolios exceeding \$7M ARR while maintaining 40-45% gross margins.
- Took Costco's Lead-to-POS matching program on GCP (Dataflow, BigQuery, Vertex AI) from proof of concept to production, coordinating product, data science, engineering and QA teams.
- Designed weighted-average matching logic for a 20M+ record entity-resolution initiative and introduced AI-assisted workflows for continuous risk tracking and living project plans.
- Drove account mining and pre-sales at Costco, securing a \$1M expansion into BI and conversational AI reporting and increasing overall account value by 50%+.

Director, Project Management | Itsacheckmate

Jun 2022 - Apr 2024 | Remote, India

- Built the Project Management Practice from the ground up for a restaurant POS integration platform, establishing repeatable planning, execution, governance and closeout processes.
- Improved delivery predictability to 95% on-time and 90% on-budget across the portfolio.
- Reduced process redundancies by 35% through quarterly governance reviews across three initiatives and action on 10+ improvement opportunities.
- Led migration of project teams from Asana to Jira within three months with minimal delivery disruption.

APAC PMO Head & Country Head | Software Group

Jun 2017 - May 2022 | Chennai, India

- Set up and led the APAC PMO, owning delivery of \$4M+ digital banking, loan-origination and mobile-wallet programs for regulated banks and microfinance institutions across six countries.
- Delivered Credit Access Grameen Koota's loan-origination transformation in two phases (\$1.5M+), supporting 8,000+ loan officers and 1M+ customers.
- Delivered BNCTL Internet Banking in Timor-Leste (\$1M+) and KICB mWallet in Kyrgyzstan (\$1.5M+) through full-SDLC governance.
- Oversaw ETL, system integrations, risk management and UAT across multi-country implementations; exceeded regional revenue targets by 20%.
- As Country Head, managed India entity administration, finance, HR and government liaison.

Senior Project Manager | Eli India

Jun 2016 - May 2017 | Chennai, India

- Led Agile transformation across three product teams (30+ associates) supporting Healthicity's US healthcare compliance and medical-coding audit software.
- Managed cross-product release dependencies and coached teams on Scrum ceremonies and execution discipline.

Project Manager | Cusdelight Consultancy Services Pvt. Ltd.

May 2013 - Jun 2016 | Chennai, India

- Managed product backlogs and Agile delivery across 5+ initiatives for teams of 8-10, improving sprint velocity by 20%.
- Trained three project teams (20+ associates) on Agile/Scrum and streamlined Jira workflows, enabling 30% faster bottleneck resolution.

Test Engineer | The Advisory Board Company

Aug 2010 - Oct 2012 | Chennai, India

- Served as testing SPOC for monthly releases of US healthcare analytics products and built test automation for hospital performance benchmarking data.
